# Sustainability above all

## Sustainable production

- ✓ Bark, chippings and sawdust are used to fuel the on-site power plant providing electrical power and steam for use in the production of our flooring.
- ✓ The actual amount of energy produced is more than is needed in the factory and we therefore supply the excess electricity to the Danish national grid.

100% USE OF WOOD

# Sustainability above all

continued

- ✓ PEFC™ and FSC® certified to ensure legal and sustainable forestry.
- ✓ CE-marked, ensures compliance with the EU legislation relating to safety, health and environment.
- ✓ Danish Indoor Climate labelled, ensures no presence of chemical substances to affect the air quality of the room.
- ✓ Certified according to environmental management system ISO 14001 DGNB, BREEAM.
- ✓ Contributes positively to LEED, DGNB and BREEAM certification of buildings.

NOT UNUSUAL**

# Sports flooring

continued

- ✓ Junckers own developed sports-linings are colored lacquers and may be applied directly on Juncker Floorboards.
- ✓ Junckers sports flooring systems are developed, manufactured and quality controlled from own factory.
- ✓ No concerns about “non-compatible” products reacting with one another, when dealing with Junckers as we develop and manufacture our own range of lacquers and oil surface treatments.
- ✓ Proper technical service before, during and after a project to ensure the highest possible quality.
- ✓ Chosen supplier to many high performance sport events such as Eurobasket 2017, Commonwealth Games and The Olympic Games.
